

CHECHEN STATE UNIVERSITY

ABOUT

Chechen State University dates back to 7 February 1938 when Grozny Teacher Training Institute was founded with a two-year study period. The Institute was reorganized into Chechen-Ingush State University on 9 March 1971 and the new place received the name of Lev Nikolayevich Tolstoy. On 28 February 1995, Chechen-Ingush State University named after Lev Nikolayevich Tolstoy was renamed into Chechen State University. Currently around 15000 full-time students are receiving education at the Chechen State University, 10 Faculties and 4 Institutes lead the learning process. The Centre of Collective Use at the University serves as a launch pad for the staff and students to conduct research in priority development areas of science and technology. Education at Chechen State University is the beginning of the big way to a promising (viable) employment and a successful career. The teaching process at the University is operated (provided) at nine faculties and five institutes. Educational Process is organized using modern technologies. The classrooms are equipped with interactive whiteboards, hardware essential for videoconferences. Extensive resources of online-library, both Russian and international databases are at students' service. The university administration assigns (attaches) great importance to the development of academic mobility of the lecturers and works actively on inviting Russian and foreign explorers (scientists) well-known in the scientific and educational environment. The university offers different areas of training in specialist's, bachelor's and master's programs, as well as postgraduate course.
