

PERM STATE MEDICAL UNIVERSITY

ABOUT

Founded in 1916 and located in the Perm City of Russia, Perm State Medical University is one of the oldest and largest universities of Russia. The leading university is a popular name amongst Indian medical aspirants who want to pursue MBBS in Russia.

Perm State Medical University is integrated with academic institutions of the Ural Branch of the Russian Academy of Sciences and different higher schools of Russia and Perm. The result is deepening of scientific-research studies, which are widely introduced into medical practice, as well as receiving grants of the Russian Foundation for Basic Research (RFBR) and Russian Humanitarian Science Foundation (RHF).

The admissions in MBBS course at Perm State Medical University for the September intake are open and Indian students can apply for admissions.
